

A FEARFUL DAY. -The Chief of Police of Memphis received the following letter, which contains fearful developments:

BALTIMORE, Md., Feb. 10, 1873.

Sir: I would most respectfully call your attention to the new medical compound, known as "Xylol," that is now being used in this city for the purposes of robbery and murder. The mode of application is by mixing it with the feathers in the pillow, and when the warmth of the head is applied to it, it gives off vapors similar in effect to the fumes of opium, and the person using it is found dead in the morning, which gives the monsters who apply the drug ample opportunity to possess themselves of the property of their victims, and otherwise dispose of their remains. The drug was tried upon myself here, some time ago, by a German Jew, who invited me to sleep in his house. I escaped his foul designs, and obtained a knowledge of his intentions and manner of proceeding by trifling circumstances. As I had lately read accounts of several persons being missing in your city, I felt in duty bound to investigate the matter for the benefit of the community at large; consequently, I have devoted my leisure hours to it for the past two years, and have now acquired a perfect knowledge of the drug used, and lose no time in communicating its name to you, that you may cause the officers under your control to put themselves in communication with the druggists, and keep a system of surveillance over those who purchase it. I remain, sir, yours, very respectfully,

D. M. WALSHE, M.D.

Dan Castello, the circus man, has been sued by a mass of woman weighing 600 pounds, for the wages to which she she considered herself entitled for traveling along with him as a side show. The jury gave her a verdict for all the money she claimed; her adipose tissue was valued at twenty-five dollars a week, which is just 4-16 cents per pound per week.

The Macon Enterprise is in favor of horse racing at the State fair, and asks: "On what day of the fair was there the largest attendance, of ladies and white cravats? Race day, of course."

Douglas Gerold was paid \$5 for that famous one-line witticism: "Advice to people about to marry—Don't."

Prepared by HEINITZ, Chemist.  
A great achievement. Twenty years ago, to have said that such a Drug Establishment as HEINITZ'S, for the manufacture of Medicines for the South, would be a success, would have been regarded as chimerical. But such is the fact, success over attends well-appointed means, and upon this basis we propose to go on, and offer to the afflicted the only remedies worth trying:  
Heinitz's QUEEN'S DELIGHT, for the Blood.  
Heinitz's BLOOD AND LIVER PILLS, for the Liver.

The work-shop is deranged, disorganized, out of order. No better regulator can you apply than HEINITZ'S BLOOD AND LIVER PILLS. They are, of all the medicines we know of, the only LIVER PILLS that will do the work of correction. They are, therefore, a Liver corrector. Everybody uses them. Everybody likes them. Every body speaks well of them. Only twenty-five cents a box. Will cure more diseases than a quart of noxious decoction. Prepared only by

**COUPON BONDS,**  
Secured by a Mortgage on the entire Property of the Road. Interest Payable Semi-Annually, on the 1st of January and 1st of July.  
**The Central National Bank, OF COLUMBIA.**  
OFFERS for sale limited amount of above-mentioned BONDS, at the following rates: FIRST MORTGAGE BONDS, (only \$10,000 per mile,) at 82 cents and accrued interest; SECOND MORTGAGE, (only \$5,000 per mile,) at 75 cents and accrued interest, and recom-mend them to Trustees and others having money to invest, as being the most desirable security on the market, for the following reasons, to wit:  
FIRST.—THEY CANNOT BE TAXED BY THE STATE, COUNTY OR CITY. The United States Supreme Court, in the case of the Northern Central Railroad vs. Jackson, (see 7 Wallace, Supreme Court U. S., page 207,) decided that, when a Railroad mortgage is a joint one, on property lying in two or more States, the bonds secured thereby are not liable to be taxed by either of the States; and the same principle relieves them from taxation by County, City, or Town. The Charlotte, Columbia and Augusta bonds are secured by a joint mortgage on property lying in North Carolina, South Carolina and Georgia.  
SECOND.—Because they are absolutely safe, being secured by a first mortgage of only \$10,000, and a second mortgage of only \$5,000 per mile on the entire road from Charlotte to Augusta, and on all the workshops, bridges, franchises and equipments of said road.  
THIRD.—Because the sale of the first mortgage bonds will extinguish the floating debt of the road, and the proceeds of the second mortgage bonds will be exclusively applied to improving the road and adding to its equipments; thus enhancing the value of the property mortgaged.  
FOURTH.—Because the bonds are coupon bonds, and the interest payable in New York, Charlotte, Columbia or Augusta, at the option of the holder. Thus they can be collected through any bank without expense.  
FIFTH.—The business of the Road is rapidly increasing, and the property and franchises daily becoming more valuable—the net earnings for the last five months being over fifty per cent. more than for the corresponding months of the preceding year.  
SIXTH.—These Bonds are practically redeemable in gold, for specie payment will certainly be resumed before their maturity. Investors will, therefore, buy with greenbacks worth 87 1/2 cents, and receive their pay in par—thus adding a profit of over THIRTY CENTS on the dollar on the First Mortgage Bonds, and over FORTY-SEVEN CENTS on the Second Mortgage Bonds, and in the meantime receiving a high rate of interest.  
FINALLY.—As these Bonds have a fixed value in New York, Charlotte, Columbia and Augusta, they are considered good collateral, on which money can always be borrowed for temporary purposes.

**COUPON BONDS**  
OF THE  
**CITY OF COLUMBIA,**  
Secured by a Sinking Fund. Coupons secured by an Annual Tax and Receivable for City Taxes. Bonds, non-taxable by the City. Bond Debt of the City Limited by Law to \$600,000. Taxable Property of the City \$7,500,000.  
THE BONDS offered are authorized by an Act of Assembly approved March 13, 1872, for the construction of the new City Hall. Their final redemption is, by the terms of said Act, secured by a "sinking fund," to be accumulated from the annual rents of the building. These rents will reach from \$8,000 to \$10,000 per annum; and the Carolina National Bank holds a lien of the building for a term of twenty years, as trustee, with power to collect the rents and hold the same invested as a fund for the redemption of the bonds. By said Act a special annual tax is required to be levied to pay the semi-annual coupons, and the Carolina National Bank is made the trustee of the city to receive the taxes when collected and to pay the coupons. The coupons are also receivable for city taxes.  
The taxable property of the city is at present assessed at \$7,000,000; and by said Act the bond debt of the city cannot be increased beyond \$600,000 whilst these bonds are outstanding. The bonds are exempt by law from city taxation.  
These bonds are offered to the public at eighty per cent, with interest from date of purchase to January 1, 1873, allowed in settlement. After that date, the accrued interest to be added.  
To citizens of Columbia these bonds will give an income of 12 1/2 per cent., as may be seen from the following statement:  
Seven per cent. bonds, at 75, annual interest..... 9 1/2 per cent.  
Nineteen years to run, average increase per annum..... 1 1/2 per cent.  
City tax saved..... 2 per cent.
